DEMOCRATS ATTEMPT PATCH UP DIFFERENCES

WILSON AND BRYAN PEACE PACT BREAK IS CAUSING PARTY LEADERS CONCERN

Conferences Are Being Held for Purpose of Defining a Policy

TREATY SITUATION IS NOW UP IN AIR

Intimated That Plan Will Be Worked Out for On Early Referendum

(By WM. PHILLIP SIMMS.)

WASHINGTON, Jan. 9.—How ever much opinion may be divided on the treaty, the paramount issue in the political campaign this year, there can be no two opinions today as to who is the undisputed leader of the democratic party. It is President Wilson. The famous Jackson day gathering has come and gone and politicians remaining in the capital are blinking their eyes at the complete domination of the party leaders by the Wilson influence. His name acted like magic among them. Wm. Jennings Bryan, many thought, would sound the party keynote and stampede the rally to his side, but though Bryan's tongue held the silver ring as of old, his eloquence did not bring about a stampede. At one time Bryan was actually heckled, presumably by his own political kin, since none but democrats were invited to the feast. At the moment when the Commo-
rator turned the corner of his speech and said he must say something more even at the risk of being unpopular, several voices raised an outcry at the south end of the hall.
"Stick by the President," someone shouted loudly, and others took up the cry.
"If the gentlemen who raised their voices can guarantee," Mr. Bryan declared, "that the country will vote the same as those at this meeting might vote, I will hush; otherwise I will proceed."
It was only a very minor incident, but it showed the temper of the crowd. It was a Wilson crowd and it was a Wilson night, just as it had been a Wilson day.

WASHINGTON, Jan. 9.—Democratic leaders today started a grand drive to patch up the differences of opinion between the two leaders—President Wilson and Wm. Jennings Bryan. Despite the fact that Mr. Bryan was speaking until nearly 3 o'clock this morning, he was called out early today for a conference with members of the democratic national committee. Homer S. Cummings, chairman of the committee, and other members were present and they went into a prolonged conference in an attempt to settle upon a definite program that would not find President Wilson and Bryan at odds.

Steps may be taken to bring the treaty issue to the people before the presidential campaign, it was learned at the White House. It is understood that democratic leaders, fearing a clash in their own party, are now working out a plan which will be submitted to the president whereby a referendum on the treaty may be taken within a short time. It was stated at the White House that such a plan might be deemed advisable.

Democratic leaders today are not at all backward in displaying their chagrin at the differences which developed between President Wilson and Mr. Bryan. They were hopeful, however, that in the conference today they would get definite assurance from Mr. Bryan that he would not lead a revolt in the campaign and that he would not campaign against the views expressed by the President. There was an unconfirmed rumor that leaders were working in an effort to convert Mr. Bryan to the President's views, and that if this failed that he might be asked to withdraw from active participation in the presidential campaign.

HUNTSVILLE PLANT CONNECTED SUNDAY WITH LOCAL ONE

The work of erecting temporary towers across the Tennessee river, on which are strung the high tension transmission wires of the Alabama Power company, was completed today, it was announced by T. L. Beauchamp, manager of the local operations of the power company. Owing to the fact that service will probably be disturbed while connections are being made, the local and Huntsville plants will not be connected up until Sunday.

As soon as the connection is made, the Huntsville plant will be in position to care for part of the load here all of the time and all of the load part of the time, Mr. Beauchamp stated. By January 25, it is expected, the building of the line from Huntsville to the Coosa river will be completed, it was announced, following which it is expected that the Twin Cities will have unlimited electric service, and the danger of further shut-offs will be eliminated.

"I feel certain that after the connections are made Sunday we will be able to take care of our local patrons without further trouble," said Mr. Beauchamp today, "and feel greatly relieved that this is the case. The Alabama Power company has made heroic efforts to bring its high tension lines in here on time, and has met with remarkable success considering the difficulties that had to be met."

Great Engineering Feat
Building of the temporary towers across the Tennessee river is said to be an engineering feat unsurpassed in the history of the nation. Two long poles tower from either bank of the river to a height of 147 feet, and on these the wires have been strung. The poles were made by placing great oak trees in the earth on either bank of the river, and to each three long chestnut poles were spliced. The linemen have shown great bravery in climbing these poles to string the wires.

The permanent towers will be completed as rapidly as possible. The steel superstructure is now arriving.

REGISTRAR'S TIME MAY BE EXTENDED

The time allowed Registrar Claude Gilchrist to complete the registration of the voters of Morgan county may be extended 30 days. A petition will be filed with the Commissioners court Monday morning, asking for an extension and it is intimated the request will be granted, in accordance with the new registration laws, giving permission to the Commissioners court to allow such extensions.

On account of the fact that Registrar Gilchrist did not receive his commission until December, he was not able to visit the precincts of the county. Several hundred new names were added to the poll lists during the five days Registrar Gilchrist opened the registration books here this month.

J. H. Calvin Co. to Entertain

The J. H. Calvin Co. will entertain on tomorrow evening the managers and salesmen of their various houses and office employees at a dining at the Calvin home. This custom has been observed annually by the company since its organization and is an occasion looked forward to with great pleasure.

NEXT DEMOCRATIC CONVENTION WILL BE HELD IN SAN FRANCISCO

(International News Service.)
WASHINGTON, Jan. 9.—San Francisco won the next democratic national committee in its fight staged here before the national committee with Kansas City and Chicago as its two leading opponents. The convention

RAYMOND BROWN POST COMMANDER LOCAL BRANCH OF AMERICAN LEGION

Former Captain Company E is Elected Head Ex-Service Men's Organization.

OFFICERS ARE CHOSEN AT THE POST SMOKER

Is Largely Attended, Despite the Inclemency of the Weather.

Raymond Brown, former captain of Company E, local unit of the 167th, the Rainbow Division, last night was elected commander of the Morgan County Post of the American Legion at the first smoker given by the local post. Frank Skoggs, who recently returned from France and Germany after two year's service abroad, was named vice commander.

Other officers named are: B. M. Bloodworth, adjutant; John Davis, post finance officer; Rev. W. N. Sholl, chaplain; Ralph W. Cowart, historian.

This election of officers was the only "order of business" and following the completion of the balloting, the meeting became a social session and short talks were made by every member present, the speakers pointing out the program of work before the Legion and many suggestions were made for carrying the work forward.

J. E. Langley, government representative in the construction of Federal building, stated that the Post's request for permission to use sections of the building as a permanent home had gone forward to Washington and the decision of the treasury department is expected within two weeks.

Addresses were made by the retiring officers, thanking the membership for their aid in the past and pledging their own cooperation in the future.

The smoker last night was the first of a series planned by the local post for the year and it is expected that a banquet will be one of the social features in the early spring.

Several of the members last night discussed the possibility of the post erecting a home of its own, to be used for meetings and for club rooms.

Oscar Underwood Not a Candidate For Presidency

WASHINGTON, Jan. 9.—Senator Oscar W. Underwood, of Alabama, is not a candidate for the presidency. He made this known in the following statement, issued here late yesterday:

"My friends have complimented me, by suggesting that I be a candidate for the democratic presidential nomination, but I am in no sense a candidate. I have announced my candidacy for the senatorship from Alabama, and I hope and expect to represent that state in the Senate for the next six years."

NEXT DEMOCRATIC CONVENTION WILL BE HELD IN SAN FRANCISCO

(International News Service.)
WASHINGTON, Jan. 9.—San Francisco won the next democratic national committee in its fight staged here before the national committee with Kansas City and Chicago as its two leading opponents. The convention

BEE LINE HIGHWAY ASSOCIATION WILL MEET THE LATTER PART NEXT WEEK

Plans Will Be Made for Advertising Route to Tourists of East.

STATE BOND ISSUE IS EXPECTED BE ENDORSED

"Missing Link" Will be Completed Soon as Possible, It is Stated.

Members of the Bee Line Highway Association will meet here the latter part of next week, it was announced today, to discuss plans for advertising the route to tourists and it is expected that endorsement will be given to the \$25,000,000 bond issue for good roads.

The building of a bridge across the Tennessee river here will be a big boom for the Bee Line route and members of the association are vitally interested in the project.

Plans will be made at the meeting next week for connecting all of the "missing links" of unimproved roadway and it is expected that by late summer, the entire highway from its northern to its southern terminus will have been completed, with the Tennessee river here bridged.

The Bee Line route is one of the most important thoroughfares in the South, located as it is on the most direct route from the Great Lakes to the Gulf, and the percentage of tourists' traffic it will carry is expected to be exceedingly high.

CONGRESSMAN GILL WILL SPEAK HERE ON "PLUMB PLAN"

Congressman Gill, of Spokane, Wash., will deliver an address in Albany Monday night, January 12, on the Plumb plan. A committee today is making arrangements for obtaining a hall and is arranging the other details.

The Plumb plan is being given much attention in Congress now and it is expected Congressman Gill will be heard by a large audience.

BRYAN DENOUNCED BY CABINET TODAY FOR TREATY STAND

(International News Service.)
WASHINGTON, Jan. 9.—President Wilson's cabinet today took up routine matters, it was stated after the meeting. Members admitted there had been a post-mortem on the Jackson Day dinner. It was denied any political program had been mapped out.

Secretary of the Navy Daniels left the cabinet meeting early this afternoon and hastened to Mr. Bryan's hotel for a conference. He refused to state whether he had been sent by the cabinet as a peace emissary.

Secretary Daniels was in conference with Mr. Bryan for 15 minutes. He insisted he called only to pay his respects to Mr. Bryan. Mr. Bryan refused to discuss what had taken place. It was learned, however, that there had been a warm denunciation of Mr. Bryan's stand during the cabinet meeting. One member hoped Secretary Daniels had "told Mr. Bryan some of the things that have been said of him."

BIRTH

HINES DECLINES GRANT INCREASE TO RY. SHOPMEN

(International News Service.)
WASHINGTON, Jan. 9.—Director General Hines of the railroad administration has made reply to the railroad shopmen in answer to their demands for increased wages to meet increased living costs, it was learned today. The answer declares that statistics compiled by the division of labor of the railroad administration show that while wages of railroad shopmen have increased 106 per cent, the cost of living of these men has increased only 102 per cent.

It is understood that Director Hines also informed the leaders that if they pressed their demands, he will be forced to make a public statement as to the wages and the increased living cost.

The railroad shopmen are understood to be preparing a counter-statement in which they will attempt to show that the statistics which he has quoted are incorrect. The Brotherhood of Railroad Clerks is now attempting to force a national wage agreement, and it is understood that they may combine with the shopmen in an effort to secure a revision of the wage and cost of living statistics.

While the Director General's statement was in the nature of an answer to the demands of the shopmen, it does not close the matter. Mr. Hines has informed the leaders that he will grant final conference. The complete report will not be made public until final settlement has been made.

MEXICANS BLAME DEAD AMERICANS

(International News Service.)
MEXICO CITY, Jan. 9.—The department of interior announced today that F. J. Roney and Charles Bowles, the Americans who were killed by Mexicans near Tampico, lost their lives through their own imprudence in venturing into country over run by bandits and rebels.

Couple is Married By Clerk Jno. Green

Miss Eleanor A. Queinotta, of Memphis, Tenn., and William L. Wade, of Tusculum, were married yesterday afternoon at the courthouse by Probate Court clerk John Green. The groom formerly was a well known resident of Albany-Decatur.

FIRST MEETING OF PUBLIC ON BRIDGE PLAN MARKED WITH GREAT ENTHUSIASM

Representatives of Syndicate Meet With Councils and Citizens Thursday

PROMINENT PEOPLE PLEDGE CO-OPERATION

Frost Urges Residents of Twin Cities to Get Behind the Movement.

The first meeting of representatives of the syndicate promoting a bridge across the Tennessee river here, with the public was called to order yesterday afternoon in the Decatur city hall with Alderman John A. Thomas presiding. Outlines of the plan for constructing the bridge during the present year were discussed and amid great enthusiasm the cooperation of the many prominent local people present was pledged to the project.

The meeting was opened with a statement of the objects and purposes by C. E. Frost, prominent Athens citizen and president of the Limestone-Morgan Bridge company. Mr. Frost told of the necessity for a bridge here and urged those present to get behind the movement with all of their influence. He took occasion also, to urge that a large delegation from Albany-Decatur and other North Alabama cities go to the meeting of the Muscle Shoals Highway Association, to be held in Florence next Tuesday.

He was followed by Capt. T. E. Grafton, chief engineer in charge of the bridge construction, who outlined what highway development had done for other sections and emphasized the necessity for speedy location of the Muscle Shoals Highway on the south side of the Tennessee river from here to Sheffield.

Addresses, with enthusiasm as the keynote, were made by Charles H. Eyster, B. L. Malone and S. A. Lynne. The latter introduced a resolution, which was passed unanimously, calling upon the mayors of Albany and Decatur to name delegations composed of at least ten citizens to go to Florence Tuesday and tell the Muscle Shoals Association of the plans for completion of the bridge here this year.

Dr. A. J. Dickinson to Speak Sunday

Dr. A. J. Dickinson, former pastor of the First Baptist church of Birmingham, will occupy the pulpit of the First Methodist church of Decatur Sunday morning at 11 o'clock. Dr. Dickinson is now in the employ of the health service of the U. S. government, and parents and young people will be especially interested in his address, it is stated. The public has been invited to attend.

President Wilson Out for a Walk

(International News Service.)
WASHINGTON, Jan. 9.—President Wilson today took a short walk around the White House grounds. This is the first time the President has walked out of doors since his illness. Despite the inclement weather, his venture out-of-doors unassisted today.

Tennessee Census Takers Are Having Easy Time, All Here

Census enumerators in Tennessee are having an easy time, according to one of the enumerators in Albany, who has made the startling discovery that, judging from the answers given, some two thirds of the population of Alabama's sister state has moved to Albany. The count in Albany and Decatur is progressing rapidly and is expected to be completed within the allotted two weeks. The cities are expected to show greatly increased populations.

THE "SPLIT" BETWEEN
BRYAN AND WILSON

The divergent views expressed by President Wilson and William Jennings Bryan, the two headlines at the Jackson day dinner, in regard to the ratification of the peace treaty, are heralded in the press as a "split" between the two great democratic leaders. In fact, the break in relations came long ago, at the time that Mr. Bryan withdrew from the cabinet and left the burden of the war upon the shoulders of the President; the Jackson Day dinner was only the public occasion at which the break was aired.

The political significance of the clash in opinion is that a fight will be waged within the party for the control of the next national convention. The Nebraskan, who poses as a party Warwick, will attempt to carry the role of "king maker" further still and dominate the delegates at San Francisco, just as he did at Baltimore. This time, however, it is doubtful if the peerless leader will find destiny upon his side, for at Baltimore he was battling for principle and today he is only fighting for expediency. His steel will not have the backing of that moral force that drove it straight through the defenses of the reactionary element of the party.

In his new role of compromise, Mr. Bryan will not find himself at home. The position that he has assumed to defend is one that does not well fit an illustrious opponent of war, a great apostle of pacifism, and the author of more peace treaties than any other living man. The position is also one that does not become an advocate of the referendum—and in his Jackson Day address Mr. Bryan stressed the initiative and referendum as one of three great issues upon

which he stands—for Mr. Wilson proposes that the American people, in electing their next presidential candidate, shall decide whether the Versailles treaty and the League of Nations covenant are to be ratified or rejected.

In his lofty stand, President Wilson has again shown that he is the greatest American of today. He has called upon his party to secure the legitimate fruits of the war—world peace. He has appealed to the democrats of the nation to battle for what they believe to be right, though they go down in defeat. He has served notice that the lives that were given and the treasure that was spent in perpetuating the ideals of democracy shall not be sacrificed through a spineless surrender to a republican majority in the senate. He has announced that the people are supreme, and that until their verdict is in, there shall be no compromise of principle.

Mr. Bryan, on the other hand, has assumed an attitude that must meet with the approval of the German people. They, too, are opposed to a League of Nations that would forever protect and defend the weak and that would forestall a system of force. And on another historic occasion, when the Nebraskan so nobly contended that American citizens must remain at home until such time as William Hohenzollern gave them leave to ride upon American vessels upon the seven seas, his views strikingly coincided with those of the diplomats of Germany. He was wrong then, and he is wrong now.

The democratic party should follow the lead of the President, whose vision is unimpaired by republican threats, and whose purposes are known and trusted by all the world.

DRAFT DODGING A
DANGEROUS GAME

The arrest at Philadelphia of Grover Cleveland Bergdoll, the wealthy son of a former brewer, on the charge of draft dodging, is of special interest at this time in showing the persistence of federal authorities in running to earth those disloyal citizens who refused to support their government in a period of stress and emergency. It also brings into prominence the fact that the rich are not immune to punishment, the wealth of this man making him a more shining target at which to fire.

The Bergdoll brothers, Grover and Edwin, did not attempt to escape military duty through cowardice. They are known as dare-devils, as automobile speeders and racers, and one of them, at least, was a daring aviator. It was love for Germany, to which one of them tendered his service early in the war, that prompted them to go into hiding when the draft call came. Although born in America, they preferred to pay allegiance to the Fatherland and to despise the country that had given them wealth and opportunity.

For such as these the public has no sympathy. The longer prison sentences they receive, the better. They will do a real service to America, after all, by serving as examples to others of their ilk.

MAN BROKE WIFE'S LEG
FOR XMAS, IS CHARGE

NEW YORK, Jan. 8.—Charged with deliberately breaking his wife's leg, Frank Strepsky, thirty-eight years old, a clerk, was held in \$3,500 bail in Essex Market Court.

The incident is said to have occurred during a Christmas Eve celebration at Strepsky's home. Witnesses say their host in a sudden outburst of hilarity, possibly wrath, they do not know which, grasped his wife, Annie, twenty-three, by the right foot. Placing her limb across his knee, he broke it. The woman was removed to Bellevue Hospital.

Near East Workers
Meet in Birmingham

BIRMINGHAM, Ala., January 9.—Dr. Seale Harris, State Chairman of the Near East Relief called a conference of all county and city chairmen in Alabama to meet in Birmingham on January 15th, for the purpose of making final plans and preparations for the campaign that will be staged in this state the first two weeks in February for the relief of the starving and suffering peoples of the Near East, Armenia, Syria and adjoining territory.

Among the persons of national prominence who will be present at this conference are Commander John Brockenshire, of the United States Navy, Capt. Geo. B. Hyde, M. D., of the United States Army, Mr. Jas. O. Arroll, who spent eighteen months in relief work in the Caucasus while it was the storm center of the world war, Florence Spencer Duryea, Secretary of Womens organizations for the Near East Relief, and Mr. John W. Mace, assistant general field secretary of the Near East Relief.

Commander Brockenshire, Capt. Hyde and Mr. Arroll have all been active in the actual relief work in the Caucasus and Armenia and will bring to the assembled delegates the story of suffering and starvation that comes from this terror-stricken country, which is now calling on the big-hearted people of America for help to keep its people through the winter and until the coming harvest.

The sessions of the conference will be held at the Tutwiler Hotel in this city, morning, afternoon and evening. Final plans will be made for handling the drive for funds and announcements will be made of the amount that each county and city will be expected to raise for this fund. It is thought that by the time the conference convenes, practically every county will be organized and ready to take up its share of the work, which has the heartiest endorsements of all denominations of the church, as well as the support of fraternal organizations, business, organizations, etc.

Leave Tuesday for
Diocesan Council

Rev. Thos. Mundy, J. L. Bibb and H. E. Hildreth, of St. John's Episcopal church, will leave Tuesday for Demopolis to attend the annual meeting of the Diocesan Council of the Episcopal church.

At a recent Parish meeting, the following vestrymen were elected for the year: W. A. Bibb, H. B. Beard, T. H. Mattocks, W. B. Edmundson, A. H. Hoff, J. C. Kortrecht, J. L. Bibb, E. E. Graves and H. E. Hildreth. The following officers were elected: W. A. Bibb, senior warden; H. B. Beard, junior warden; A. H. Hoff, treasurer; J. L. Bibb, secretary.

"ALL O. K. FOR THE BLOOD"

Is What a Citizen of Georgia Says of
ZIRON, the New Iron Tonic.

Iron is needed by the blood to keep
men and women strong and healthy. Iron
is needed by the nerves to keep them
toned up. Ziron, the new iron tonic, will
put iron into your blood and should help
renew your lagged nerve forces in the
way it has done it for many others.

Read what Mr. J. R. Bell, Rt. 2, Oconee,
Ga., says about the effects of Ziron:
"I think Ziron is all O. K. for the blood.
That was what I have been taking it for—
my blood. I liked Ziron so well that I
went back to the store and got two more
bottles of it."

Ziron is a combination of a pure medi-
cinal inorganic iron salt, mentioned in the
U. S. Pharmacopoeia, with the hypophos-
phites of lime and soda, and other valu-
able tonic ingredients, endorsed and re-
commended by the best medical authori-
ties and mentioned in the medical text
books.

All druggists sell Ziron on a money-
back guarantee. Look for the formula
on the label. Get a bottle today, and
give it a fair trial.

IT'S THE GREATEST THING I EVER SAW

"I EAT BETTER, FEEL STRONG-
ER, AND SLEEP WELL SINCE
TAKING DRECO."

"This medicine Dreco, that every
one is boasting so highly, certainly
deserves every good word said for it,"
said T. A. Rankin, that popular man
at the Standard Oil Co. Service Sta-
tion in Huntsville, Ala.

"For years I have suffered from
extreme nervousness, indigestion, con-
stipation, and a general run down
condition," he continued, "Everything
I ate seemed to lay heavy in my
stomach and ferment and caused me
to be all bloated up with sour gas.
Really at times I would do without
eating at all, rather than suffer as
I did from the pains and gas. I was
very badly constipated and had to
be taking medicine every night, and I
hardly knew what it was to get a full
night's rest on account of my nerv-
ousness. I was getting in a pretty
bad condition, and losing flesh and
strength all the time. I fell off to
where I was so weak I could hardly
keep up with my work. I had tried
many of the different medicines that
were advertised to help people in my
condition, but none of them helped
me. I was thinking that I would
never feel like myself again, when
Dreco came along, and so many peo-
ple were talking about it, that I de-
cided to give it a trial, just as I had
the others, and I am certainly happy
that I did, for today I am feeling bet-
ter than I ever remember feeling in
my life. My constipation is cured en-
tirely and I go to bed and sleep like
a baby. I think Dreco is a wonder-
ful medicine, and never miss a chance
to tell my friends about it, and you
can put this in the paper too, if you
are so."

Dreco is now sold by all up-to-date
druggists and is highly recommended
in Albany by Albany Drug Co., and
in Decatur by Hilda Drug Co.—Ad-
vertisement.

PRICES WILL BE QUOTED IN SATURDAY'S
PAPER. LOOK FORWARD TO THIS
PAPER WITH PLEASURE.

We are reducing the price of suits and overcoats, which
is only another way of adding to the value you get.
Indications are that clothes will be much higher next
fall. January Sale of Hart Schaffner & Marx clothes
starts Monday, January 12th.

SOCIETY NEWS

Margaret C. Shelton, Phone 882, Albany

Oh Lord, my God, I would this day keep steadily at my task, but I am visited with many interruptions. Help me to be patient. Grant that my interruptions may become to me the messengers of God. May they but impart a richer quality to my work and make the day more useful in the end. Let them labor together with my appointed task as a part of thy larger plan for me. In Jesus name—Amen.

CLUB CALENDAR

Silk Stocking club—Mrs. T. M. Jones Jr.

THE A. F. W. C. FOSTERING THIS EFFORT

A national department of education is being urged by the women's clubs of the United States. A bill to create such a department was introduced in the House of Representatives last January by Congressman Townner, of Iowa, and was approved and supported by the National Education Association, the American Federation of Teachers, the American Federation of Labor and was generally commended by the press and eminent publicists, but was prevented from enactment because of measures connected with the war. The need for such a department arises from many causes. At the present time the educational activities and supervisions of the Federal government are divided among more than eighty different bureaus and boards, separated among various departments. The result is inconceivable confusion. Some activities overlap, while in several important directions there is no activity nor supervision whatever. The proposed department of education is to be presided over by a Secretary of Cabinet rank, with a seat in the highest council of the nation, and that his assistant shall be a woman. A budget of at least \$10,000,000 will be necessary to carry on the work of this department. It is hoped that the bill will be passed early in the present session of Congress. A special effort will be made by the General Federation of Women's Clubs in conjunction with the National Council of Jewish Women, the Association of Collegiate Alumnae and the National Congress of Mothers and Parent-Teacher Association to promote the passage of this bill. Representatives from all educational departments of work will meet with the congress of school superintendents of the National Education Association in Cleveland, Ohio, February 22-28 as members of the department of school patrons to discuss plan for furthering the project. Mrs. O. Shepard Barnum, Alhambra, California, will represent the General Federation of Women's Clubs as the head of its education department.

Miss Billie Nance of Gadsden is visiting Mr. and Mrs. R. E. Sneed.

Mrs. W. E. Crawford has returned from Birmingham, where she was the guest of Mr. and Mrs. Ben Price.

Mrs. Harbin Miller and daughter, Eliza Lee, are visiting at Selma.

THE C. C. CLUB COMPLIMENTED BY MISS MARGARET FRAHN
Miss Margaret Frahn was a charming hostess Thursday afternoon, when she entertained the C. C. club. Euchre was played at three tables. Top score was made by Mrs. J. C. O'Brien. Mrs. John Arantz, coming next, Mrs. Andrew McKenna, cut the consolation. After the presentation of prizes the dining room was thrown open and guests invited to a table beautifully decorated, repeating the Christmas color used in the card rooms. The central ornament was a basket of fruit, the handle concealed by a filmy bow of maline. A delectable repast was served.

COTACCO LITERARY CLUB

The Cotacco Literary club held the first meeting of 1920 with Mrs. Carl Patterson on Wednesday. This coterie of friends met to enjoy a program of merit given by Mrs. W. H. Day. The subject—"Call to Arms" was thoroughly interesting. Mrs. Ike Scheer made a talk on "Thrift—Its Observance" was treated as a Round table, assisted by Mrs. Melvin Hutson. The hostess served a fruit salad. Mrs. Annie Crane was the guest of the club.

Mrs. Donald Moore and Miss Louise Moore who are the guests of Mr. and Mrs. Frank P. Lide will return to their homes on Saturday. They have been the recipients of many beautiful compliments during their visit.

Mr. and Mrs. M. A. Masterson left Thursday to visit their daughter at Columbiana.

Miss Billie Nance of Gadsden is visiting Mr. and Mrs. R. E. Sneed.

Mrs. W. E. Crawford has returned from Birmingham, where she was the guest of Mr. and Mrs. Ben Price.

Mrs. Harbin Miller and daughter, Eliza Lee, are visiting at Selma.

PERSONAL

C. L. Buck has returned from a business trip to Knoxville, Tenn.

Arthur Hutchins of New Orleans is visiting Roy Sewell in Albany. They will leave Sunday for Palm Beach, Fla., where they will spend the winter.

D. D. Burleson is suffering an attack of influenza.

Cards to friends from Mr. and Mrs. E. D. Whitman announce their safe arrival in Florida, where they are having a most enjoyable visit.

J. P. Brock is in Nashville, called there by business.

C. E. Masterson has returned to Carter, Oklahoma, having visited his parents, Mr. and Mrs. M. A. Masterson, during Christmas.

Harold Carter has accepted a position with the Morgan County National bank.

Miss Bessie May Green, of Town Creek, is visiting her aunt, Mrs. R. H. Ellis.

number of beautiful florals showed the esteem in which the deceased was held by her many friends.

Interment was made here, the following nephews acting as pallbearers: Foster, Phil and Harry Pointer, of Decatur; John Pointer, of Florence; Clarence Pointer, of Memphis and Sam Malone, of Decatur. The deceased is survived by one brother, John Pointer, of Como, Miss.

ARMY BILL TAKES CARE OF PERSHING

WHO BECOMES CHIEF-OF-STAFF UNDER PROVISIONS OF MEASURE

(International News Service.)
WASHINGTON, Jan. 9.—General Pershing is made chief-of-staff of the army of the U. S. by the terms of the military reorganization bill received by the military affairs committee from the sub-committee this afternoon. The bill provides for a chief-of-staff who shall be the general of the armies of the U. S. This provision would eliminate Gen. March, who was chief-of-staff during the war, by appointment of President Wilson. Recommendations made for army legislation by Gen. March were virtually ignored by the sub-committee in framing the bill, the other provisions of which were made public last week.

NELSON APPOINTS ROADS DELEGATES

The following prominent Decatur citizens today were appointed by Mayor Nelson, for the Decatur council, as delegates to the meeting of the Muscle Shoals Highway Association at Florence Tuesday: Clyde Hendrix, W. E. Roper, W. E. Crawford, T. M. Dix, J. A. Thomason, W. M. Bailey, T. M. Jones, F. H. Pointer, L. O. Stout, S. W. Irwin, F. R. Beason, J. S. Patterson, S. A. Lynne, Geo. D. Williamson, T. E. Pride, C. T. Roper, W. W. Fussell, D. S. Echols, D. D. McGhee, Rufus Pearson, C. Nungaster, H. Olshine, Wm. Meyers, A. J. Keyes, Pete Ballas.

The attendance of a large delegation is of vital importance, good roads advocates here today declared and every delegate was urged to attend the meeting Tuesday. Membership cards can be obtained from Postmaster W. E. Crawford. All delegates were urged to get their cards as votes of accredited members only are counted.

COTTON GINNINGS SHOW INCREASE

Cotton ginnings for Morgan county in 1919 were 19,523 bales, compared with 19,271 bales in 1918, according to government statistics just made public. The report shows an increase of 252 bales. Total value of the Morgan county crop of the fleecy staple is approximately \$5,000,000.

Movement of Sun and Moon.
Both sun and moon move about the earth from east to west. In reality the sun is fixed. The moon revolves from east to west around the earth as its satellite, and both earth and moon move in common around the sun which is fixed, though the motion of the earth about it makes the sun appear to move about the earth from east to west.

Evil.
If evil is inevitable, how are the wicked accountable? Nay, why do we call men wicked at all? Evil is inevitable, but it is also remediable.—Horace Mann.

French Eat Chrysanthemums.
The chrysanthemum is served as a salad in French households.

WHEN WEAK, NERVOUS AND RUN-DOWN!

Selma, Ala.:—"In my early married life, I suffered from irregularity and severe pain at times. I was cured of this condition by taking Dr. Pierce's Favorite Prescription. It was so beneficial to me that I would always take a bottle of it every time I would become weak, nervous or run down, and it has never once failed to strengthen and build me up."

Mrs. MATTIE E. O'BRIEN, 513 Washington St.

Montgomery, Ala.:—"For seven years my mother was an invalid. Had ulceration, displacement, irritation of bladder and her kidneys seemed affected. We doctored her all that time but nothing gave her any relief until we started a course of treatment with Dr. Pierce's Favorite Prescription, and Golden Medical Discovery. I was my mother's nurse and saw for myself the wonderful result of the medicines. In less than a year she was a perfectly well woman and never did have any return of any sort of feminine trouble."—Mrs. Wm. Hausell, 41 Covington St.

Heat Flashes, Dizziness
Selma, Ala.:—"When I reached middle life I was in a very miserable state of health with heat flashes, dizziness, hemorrhages and nervousness, and at times my suffering was simply terrible. I was so doubled up with pain, I could not straighten up. The doctors told me I would have to be operated on, but instead of that I decided to try a bottle of Dr. Pierce's Favorite Prescription and I believe it saved my life."—Mrs. MATTIE AUTREY, 1915 Voeglin Ave.

Lady Druggist's Advice is Taken

"My sister-in-law is a druggist. She told me of several bad stomach and liver cases which were benefitted by taking Mayr's Wonderful Remedy and advised me to try it. I had numerous bad attacks due to bloating and had almost constant pain in my stomach before getting your remedy. I am feeling fine now." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by S. M. Thompson, Albany, and Owl Drug Co., Decatur and druggists everywhere.—Advertisement.

GUARDIAN'S SALE OF REAL ESTATE OF WARD, FOR REINVESTMENT

Under and by virtue of an order of the probate court of Morgan County, Alabama, allowing and permitting me as guardian to sell the following described real estate of Louis Zulauf, a non compos mentis, for reinvestment of the funds derived therefrom; therefore, on January 19, 1920, during the legal hours of sale, I will expose for sale and sell to the highest and best bidder to cash, in front of the court house door in Decatur, Morgan County, Alabama, the following described real estate, to wit:—

Lot 19, Block 50, Addition 4 of the Decatur Land Improvement & Furnace Company to Decatur, Alabama.

Witness my hand as guardian of the said Louis Zulauf this 2nd day of January, 1920.

MRS. CLARA ZULAUF, As Guardian.

FRANK E. LIDE 26-11**"Clear and Single Way Out" Is the Referendum Treaty**

(Continued from Page 1.)

evidences of public opinion given during my visit to seventeen of the states. I have endeavored to make it plain that if the Senate wishes to say what the undoubted meaning of the league is, I shall have no objections. There can be no reasonable objection to interpretations accompanying the act of ratification itself. But when the treaty is acted upon, I must know whether it means that we have ratified or rejected it. We cannot rewrite this treaty. We must take it without changes which alter its meaning, or leave it, and then, after the rest of the world has signed it, we must face the unthinkable task of making another and separate kind of

treaty with Germany.

gird to the wish and opinion of the country are credited. If there is any doubt as to what the people of the country think of this vital matter, the clear and single way out is to submit it for determination at the next election to the voters of the nation, to give the next election the form of a great and solemn referendum, a referendum as to the part the United States is to play in completing the settlements of the war and in the prevention in the future of such outrages as Germany attempted to perpetrate.

"We have no more moral right to refuse now to take part in the execution and administration of the settlements than we had to refuse to take part in the fighting of the last few weeks of the war which brought victory and made it possible to dictate to Germany what the settlements should be. Our fidelity to our associates in the war is in question, and the whole future of mankind. It will

be heartening to the whole world to know the attitude and purpose of the people of the United States.

"I spoke just now of the spiritual leadership of the United States, thinking of international affairs. But there is another spiritual leadership which is open to us and which we can assume.

"The world has been made safe for democracy, but democracy has not been finally vindicated. All sorts of crimes are being committed in its name, all sorts of preposterous versions of its doctrines and practices are being attempted.

U. S. Can Lead Way.
"This in my judgment, is to be the great privilege of the democracy of the United States, to show that it can lead the way in the solution of the great social and industrial problems of our time, and lead the way to a happy settled order of life as well as to political liberty. The program is not mere assertions with re-

gramme for this achievement we must attempt to formulate, and in carrying it out we shall do more than can be done in any other way to sweep out of existence the tyrannous and arbitrary forms of power which are now masquerading under the name of popular government.

"When we look back to Andrew Jackson, we should draw fresh inspiration from his character and example. His mind grasped with such a splendid definiteness and firmness the principle of national authority and national action. He was so indomitable in his purpose to give reality to the principles of the government that this is a very fortunate time to recall his career and to renew our vows of faithfulness to the principles and the pure practices of democracy.

"I rejoice to join you in this renewal of faith and purpose.

"I hope that the whole evening may be of the happiest results as regards the fortunes of our party and the nation."

Mission Society Elects Officers

The following officers were named for the ensuing year by the Young People's Missionary Society of the First Methodist church, Decatur, at a meeting held with Mrs. W. H. Ritter: Katherine M. Gormick, president; Elizabeth Houston, first vice president; Mary Bates, second vice president; Mary Chappel Rogers, treasurer; Annie May Gardner, recording secretary; Sarah Humphrey, corresponding secretary; Pluma King, superintendent of music study and publicity; Lula Phinizy, superintendent of social service; Thelma Bennett, superintendent of supplies. Interesting plans for the year's work were outlined. Refreshments were served by the hostess.

Prettily Described.

Junior, describing a beautiful, chubby little girl with two dimples in her cheeks, and also in her fat little arms, said: "Oh, daddy, you should have seen her. The smile it grew right on her face, and even her arms have got little smiles on 'em!"

**Oh! What Biscuits—**

Delicious, light, brown-crust, hot biscuits that put your appetite on edge! The same biscuits that have made southern cooking a household word the world over.

Such biscuits are to be found in the homes where Valier's Dainty Flour is used. A flour of unequalled quality, it enables the finest cooks in the world to do the finest baking. It is pre-eminently the south's most famous biscuit flour.

And the reasons are as simple as the Flour is good.

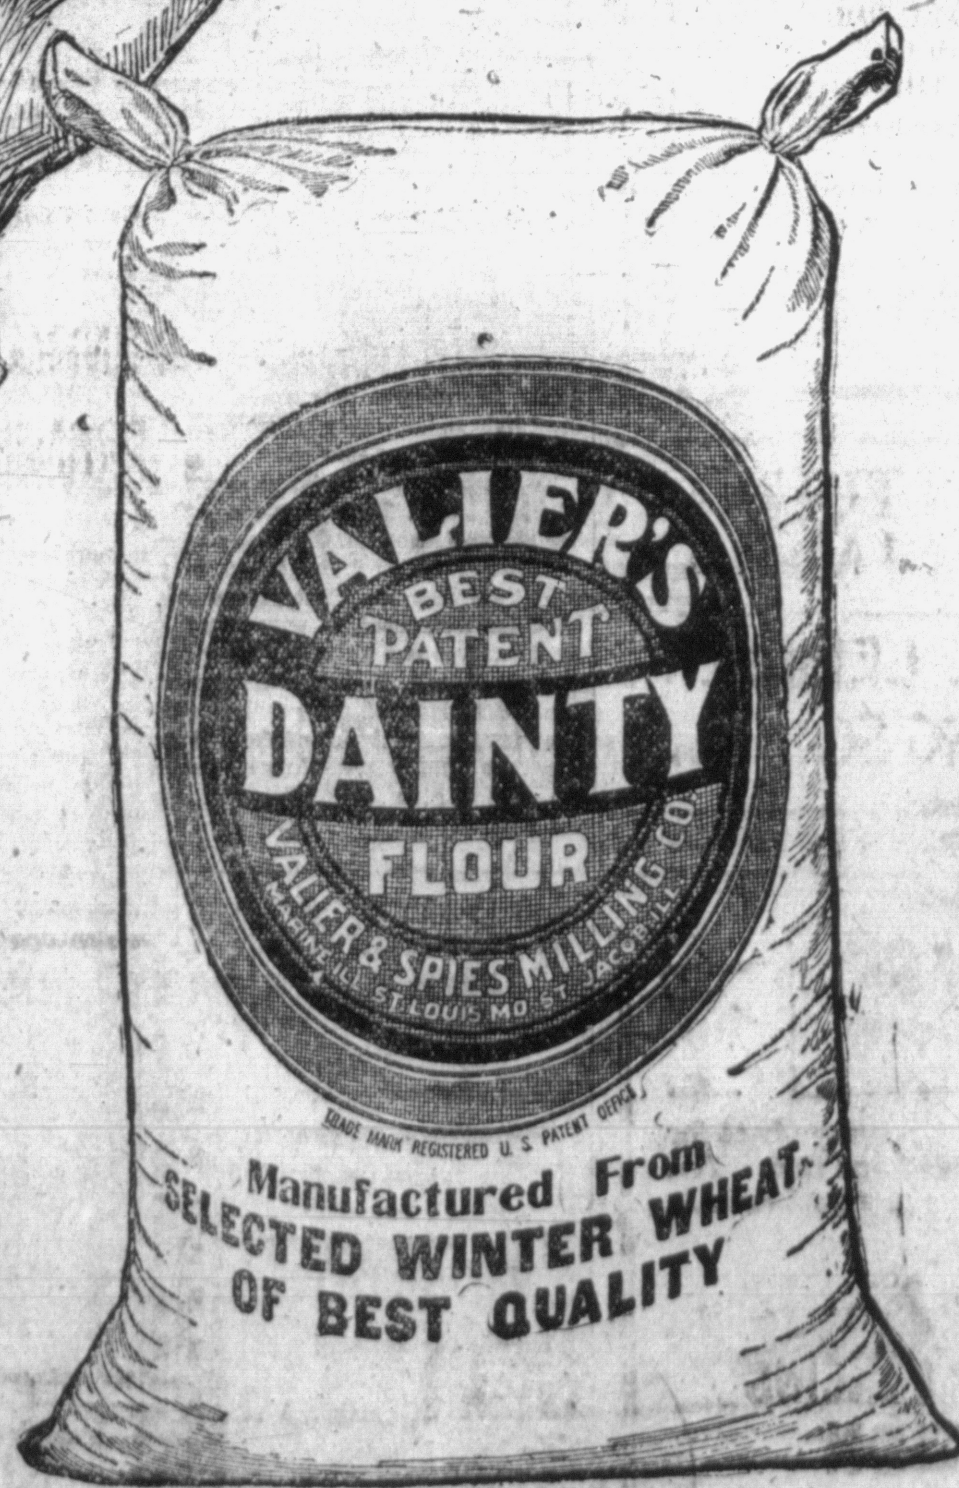

Valier's Dainty Flour

is milled slowly by a special process from the choicest part of the finest soft wheat grown.

Such grain is scarce this year and we have to pay an unusually high premium for every bushel we use. We do so cheerfully, however, that you may continue to enjoy the exceptional quality which has distinguished Valier's Dainty Flour in the past.

Of course, such a flour costs slightly more in the sack, but it really costs less on the table. There are no failures to count as waste. Then, too, it

requires less lard.

Try a sack of Dainty today and do full justice to your cooking ability. Your grocer has it.

**BETTER THAN WHISKEY FOR COLDS AND FLU**

New Elixir, Called Aspironal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter If Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspironal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories; tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspironal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspironal is by far the safest and most effective, the easiest to take and most agreeable cold and cough remedy for infants and children. (Adv.)

VALIER'S PICNIC
Self-Rising
FLOUR

is a high-grade Valier Flour with self-rising ingredients, mixed in the proper proportions. Requires no salt or baking powder. Try a sack.

YOU NEED NOT SUFFER FROM CATARRH

But You Must Drive It Out of Your Blood.

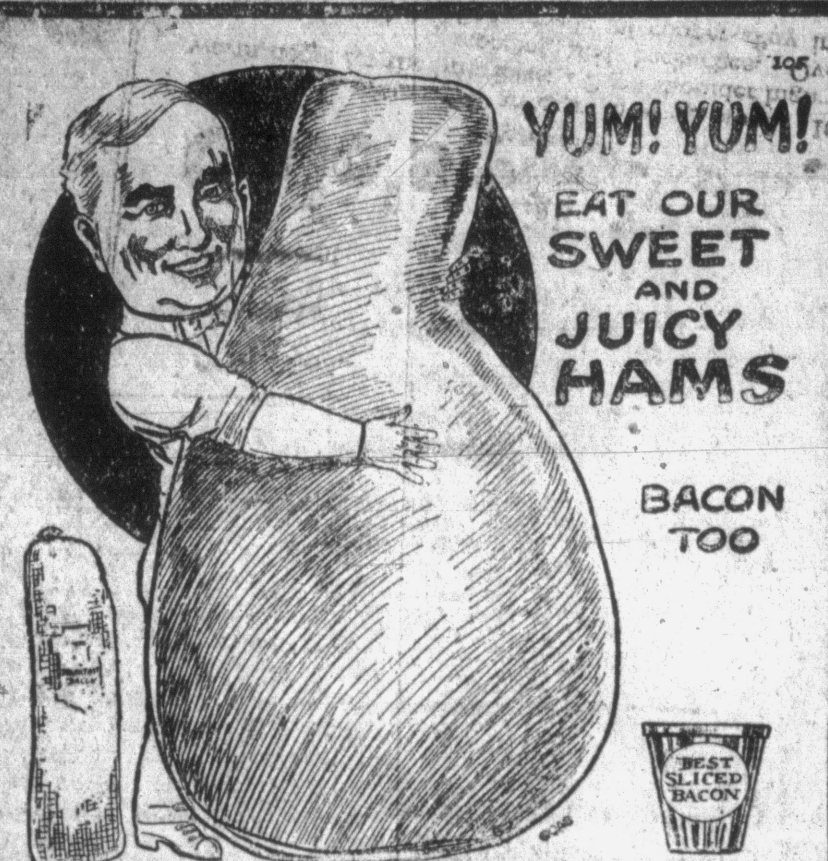

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing difficult breathing and other discomforts. Real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface.

To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which acts on the catarrh germs in the blood.

If you wish medical advice as to the treatment of your own individual case, write to Chief Medical Adviser, 42 Swift Specific Co., Atlanta, Ga.

What's nicer than a slice of good, sweet, juicy ham a-frying in the pan?

Our hams are the select table kind, sugar cured and hickory smoked—that's the kind of ham that makes the best eating.

Buy a whole ham and then you can always prepare a tasty meal in a short time.

We sell good bacon.

BILLIE BURKE "The Misleading Widow"

A Paramount Arctcraft Picture

PRINCESS THEATRE, SATURDAY, JANUARY 10.

AMUSEMENTS

OLIVE THOMAS AT THE MASONIC TONIGHT

Olive Thomas, who has been declared an ideal type of beauty by Harrison Fisher, is seen in the romantic surroundings of the Parisian Latin Quarter in "Toton," the engaging photodrama in which this pretty star will appear at the Masonic tonight. The great American artist will have his judgment proven correct in the native charm of this screen beauty who appears first as an artist's model, and later essays the role of a boy of the streets, who has graduated from the high school of Apache cunning. Connecting these two elements of the drama is an intensely interesting love story—two of them, in fact—that culminate in sorrow for one bride and happiness for another.

NEW BILLIE BURKE PICTURE IS "THE MISLEADING WIDOW"

Famous Paramount-Arctcraft Star Does Weeds in Latest Film.

A colonel and a captain figure prominently in Billie Burke's new Paramount-Arctcraft photoplay, "The Misleading Widow," which will be on view at the Princess theatre Saturday, but the story hasn't a thing to do with the war. On the contrary, it is a delightful screen romance as has ever captivated an audience. Miss Burke is the charming Mrs. Betty Taradine, who is popular with all the folks in the little New England village where she lives, except an old maid, who wonders what has been keeping Mr. Taradine away all these years and several butchers and grocers and tradesmen of other kinds, to whom Betty owes money.

To hush up the insistent demands of these latter, Betty announces that her husband, who left her many years previously, is dead, hoping thus to collect his insurance. But Friend Husband isn't disposed to pass away so easily and shows up in the person of Captain Rymill, U. S. A. Whereupon Mrs. Betty is much put out, and complications ensue thick and fast. How they are finally straightened out is too good to give away. One must see the picture.

NEGLECTING THAT COLD OR COUGH?

Why, when Dr. King's New Discovery so promptly checks it

IT'S natural you don't want to be careless and let that old cold or cough drag on or that new attack develop seriously. Not when you can get such a proved successful remedy as Dr. King's New Discovery.

Cold, cough, gripe, croup does not resist this standard reliever very long. Its quality is as high today as it always has been—and it's been growing steadily in popularity for more than fifty years. Give it a trial.

Tardy Bowels, Inert Liver

They just won't let you put "pep" into your work or play. Sick headache comes from retaining waste matter and impurities in the body.

Feel right for anything—make the liver lively, the bowels function regularly, with Dr. King's New Life Pills. Smoothly yet positively they produce results that cleanse the system and make the liver and bowels respond to the demands of a strong, healthy body. Still 25¢ at all druggists. Try them tonight.

Born in 1839 Dr. Caldwell Still in His Office Daily

Wonderful vigor of the founder of Dr. Caldwell's Syrup Pepsin. Millions now use his famous prescription

Physicians know that good health depends largely upon proper digestion and elimination and that much sickness results from constipation. No one knows this better than the "family" doctor, the general practitioner.

Dr. W. B. Caldwell of Monticello, Illinois, was and is a family doctor. The whole human body is not any small part of it, was his practice. More than half his "calls" were on women, children and babies. They are the ones most often sick. But their illnesses were usually of a minor nature—colds, fevers, headaches, biliousness—and all of them required first a thorough evacuation. They were constipated.

Dr. Caldwell in the course of 40 years' practice, for he was graduated from Rush Medical College back in 1875, had found a good deal of success in such cases with a prescription of his own containing simple laxative herbs with pepsin. In 1892 he decided to use this formula in the manufacture of a medicine to be known as Dr. Caldwell's Syrup Pepsin, and in that year the preparation was first placed on the market. The picture of Dr. Caldwell that appears on the package was taken in that year.

The preparation immediately had as great a success in the drug stores as it previously had in the doctor's private practice. Today the third generation is using it.

Mothers are giving it to their children who were given it by their mothers. Every second of the working day someone somewhere is going into a drug store to buy it, for Dr. Caldwell's Syrup Pepsin is selling at the rate of over 6 million bottles a year.

Its great success is based on merit, on repeated buying, on one satisfied user telling another. There are thousands of homes in this country that are never without a bottle of Syrup Pepsin, and the formulator of that prescription is fortunately living to see its wonderful success.

Women, children and elderly people are especially benefited by Dr. Caldwell's Syrup Pepsin. While it is promptly effective on the most robust constitution and in the most obstinate cases, it is mild and gentle in its action and does not cause griping and strain. Containing neither opiates nor narcotics, it is safe for the tiniest baby and children like it and take it willingly.

Every drug store sells Dr. Caldwell's Syrup Pepsin. Keep a bottle in your home. Where many live someone is sure to need it quickly.

DR. W. B. CALDWELL TODAY
Born Shelbyville, Mo., March 27, 1839
Began the manufacture of his famous prescription in 1892

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

Privilege License
